“ Charlotte,
I was was saddened to see this announcement. No better family walked the face of the earth than the Hearn family. I knew so many of them and they were the salt of the earth kind of people. Sadly, we can't say that about a lot of people this day and time. I don't think the world would be in the fix it is in today if we had more just plain good people like the Hearn.

May God continue to pour out His blessings of good memories on you and your family.

Hugs!

“ Allen will be remembered for his kind, patient, helpful, loving personality. He was faithful to his Lord, his loving wife, children, grands, family, friends, and His Country. You knew you could always count on him. He was witty, and fun to be around. If you were fortunate to be his family, or friend, you were truly blessed. I was blessed. We've shared church, family, happy, and sad times for 55 years. He'll forever be in my heart, my memories, and in my vision as I see him in his children, grandchildren, and the love of his life, Charlotte, for you didn't see one without the other. He's with the Angels now, and at peace. I'm thankful to have known and loved this special man. May God comfort Charlotte, their children, grands, and extended family today, and everyday forward.
