I will miss Nancy and her smile. All her craft items that I have purchased and have given to friends are cherished. My daughter has a beautiful crocheted queen size blanket on her bed that Nancy made a while back that is beautiful and my daughter loves it. Will miss that bond that we had.

John, Reg and I were so saddened to hear of Nancy's passing. She was such a love and joy to be around and one of my favorite people in the Friends and Neighbors Club. She always wore a smile, had such a great laugh and so optimistic in spite of her many health challenges. She will certainly be missed. We are keeping you and your family in our thoughts and prayers.
