“ *Sadly, I only met Mrs. Lance briefly when I attended a gathering for Mr. Lances passing. Mrs. Lance, even in that tough time, was warm, loving and inviting. I know from my relationship with Bart that she is an amazing woman who loved God, her family and especially her children. God was showing off when he created Mrs. Lance and I know he is delighting in her presence. Thank you, God, for sharing her with all the lives she's touched during what seems like a very brief life.*

“ Glenda meant so much to our family! She was such a kind, loving, and gentle person. As a young child it was such a treat to go and visit with Aunt Glenda and the family. I'm so thankful for those times and will cherish the memories! It breaks my heart to not be there with everyone to celebrate Glenda's life. Please know you all are in our constant thoughts and prayers!!

“ Aunt Glenda was one of the most amazing people I've ever known she had the ability to make you feel special just within minutes of knowing her I spent lots of time in Georgia growing up at every visit She did something special she would make me a chicken pot pie or she would have my favorite food she had the ability to make you feel calm and ieverything would be OK because her voice was always calm and soothing the last Conversation I had with Aunt Glenda was on her birthday and she just kept bragging and bragging on me about different things and that's the way it was every time there was something super special about her and her ability to make everyone feel special all of her nieces and nephews great nieces and nephews thought they were her most special because that's how she made you feel I know I've use the word special a lot in my tribute to my wonderful Aunt but that's the word that suits her SPECIAL my heart breaks at the thought of coming back to Georgia and her not being there it was hard enough coming and uncle Junior not being there but the thought of her not being there so overwhelming thank you for being such a wonderful aunt to me and your memories will live on love you so much
