“ Howard always had a smile and an excellent attitude about life. He also was a prayer warrior. I will miss him. (Martha Ellen Hammond)

“ My daddy and Howard are first cousins. Howard reached out to me when Daddy (Linton Rary) was in the hospital and lost his leg. Howard was more concerned with my daddy than what he was dealing with with his own health. I'm so glad that Daddy and Howard were able to all several times before Howard went home to be with his Lord. We will see him again one day. Praying for Pat and the rest of the family.

“ I was sad to hear about Howard, but knew that he had been struggling for some time. He is now at peace and free of pain but his family is left to mourn him especially since he died so unexpectedly. He was a gentle soul and nice to everyone. Although I didn't see him often at all, I feel a void in my heart. I can only imagine how sad it is for you, Howard's family, especially since you have experienced so much sadness and loss recently.

John 14:1-3 ESV

“Let not your hearts be troubled. Believe in God; believe also in me. In my Father's house are many rooms. If it were not so, would I have told you that I go to prepare a place for you? And if I go and prepare a place for you, I will come again and will take you to myself, that where I am you may be also.
