“ Val (and Randy), my deepest sympathies to you and your family. Although I didn't know your Mom, I share with you the heartbreak of losing a Mom, and just want to say that maybe not right this minute, in your grief, but soon, you will find that you will think of her often and smile at the memory of her laughter, her habits, the fun times, the talks, the little things that meant so much. Love and prayers to you. Deb & Tim

“ I am so sorry to hear that Jane is no longer with us. She had a great spirit and spunk to her life. I will dearly miss seeing her at family reunions. She will be missed but certainly not forgotten as her memory/celebration of life will live in us forever.

“ Wanted to say sorry for your loss to this family. I didn't know her but I do know her sister Debra. Debra was my neighbor for years in Forest Park and we loved them so much. Debra had the sweetest family.
