“ I know everyone on here is calling you by your real name, but you will always be Biggie to me. We have been close friends for 14 years and boy have we had some goods times. I saw you as my big brother and Cayden knew you as Uncle Biggie. You and Mike became close friends and he got to find out for himself how cool you were. You, Amanda, and the kids are family and WE LOVE YALL SO MUCH!! Thank you for always being there for me and being such a good friend. I will always have you in my heart and I will always be there for Amanda and the kids. I will tell your babies how special they are to you and how they made you so happy. You may be gone but you'll never be forgotten. We love you and may you now rest in peace.
