“ Summers spent at Aunt Jane/Johns pool...what a blast and she or Uncle John would come around offering baskets of goodies from their garden, best tomatoes ever! Abbas hospitality was so evident. Looked forward to her home cooked meals at reunions and other special occasions. The meals were always better on Wednesday night suppers at Liberty when she was doing the cooking, and she also served it up with a big smile. Thank you Aunt Jane for ALL the hundreds of good memories. You are a classy lady with a beautiful heart and soul and I can hear your voice now singing God praises. Home at last! 🙏. Love you, see you soon! Give all the family a big hug for me.. 🙏😊

“ Thank you all for your thoughts and prayers, I especially love your memories from the past. My mom was truly a light in this dark world. She loved her family, and she loved kids from newborn all the way through the youngster in the Joy club. Her solo she loved to sing “Holy Ground” brought many people to remove their shoes, for they truly were standing on Holy Ground! I bet her beautiful country Alto voice can be heard all over heaven in Flash Mob style singing all the old hymns she harmonized so well with.
