“ *Sending prayers and condolences for the family and friends of Alan. Alan was one of my first supervisors when I was a lifeguard for Clayton County. He always was supportive of me and always made me laugh. I can hear him now “Pooler...you late again..and you stopped for breakfast—did you bring me some!” Sending prayers especially for his children during this time. It was a blessing to know Alan.*

“ Alan was a good neighbor and friend for many years. Always helpful. He was the best neighbor next door we all got to know well. He was a man who knew and acted upon what the true meaning of good community is. We will miss him dearly. May the lord comfort his family and children.

“ *My sincere condolences to the family of Alan Dotson. Playing baseball and football against Alan in high school and living with him and playing college baseball was always a great time. We had so many long talks about our Faith, sports, girls, and family. He was always a hard worker that knew how to lead by example. He will be missed but his legacy will live forever. Love you Al D!*
