“ I met Alex the first day he came to work with Fulton County Schools. I felt like I knew him already since Greg Smith spoke about Alex so much. Alex had such a quick wit that everyone got to know and love him. I remember going to many Stone Mountain Chile Cookoffs with Greg and Alex and having way too much fun. My deepest sympathies to the family for your loss.

“ So sorry for the loss you have suffered. I met Alex when he came to check his email while doing some HVAC work at Oak Knoll ES in East Point. He helped me several times. My office was always freezing and he figured out that it was the big computer monitor blowing hot air on the thermostat. I always appreciated his help with things. He really loved to talk about his wonderful wife and daughter. May loving memories ease the pain in your hearts.
