“ I would like to express my deepest sympathy to Louise's family. She was my mentor, my co-worker, and my friend! I will always remember the wisdom of her ways and the support that she gave me as a teacher, as a coach, and as a person.

“ Mrs Collett was my neighbor for 31 years. I remember the first time talking to her. I asked her if she wanted to buy something from my elementary school fundraiser. She agreed. She was forever and always very sweet. She was always full of positive energy. It was a total privilege to each time we talked. A truly great woman. My heart goes out to Tracy, Chris, the grandkids, and the family.

“ Louise was the backbone of the PE Dept. at Riverdale Jr. High. She took everything in stride, never seemed to get flustered. I had a lot of respect for her, as did many others. I don't want to believe she is not on earth any longer, but God knows when He needs someone. I feel very fortunate to have known Louise and Jerry. “ I was fortunate enough to have taught with Ms Collett for a number of years. She was so giving of herself to the school, students, and community. She was always the # 1 fan of our athletic teams and really any event that was going on at the school. She was always there to talk out a problem with me, other faculty members, and especially the students. She went out of her way to do good things for others. I truly loved this lady, as did many others. She was a gift to anyone she came in contact with and will be missed by all. My thoughts and prayers are with the family during this difficult time.

“ My sympathy and prayers for the family of Mrs. Collett. It's been many years since I was in her junior high PE class, but I still remember those days in "gym suits" square dancing in the gym. She was an important role model in my decision to teach middle school, albeit not PE. I was blessed to have learned under her and her legacy of a love for children will live forever. Until we meet again,
