“ Ever since I moved to the General Offices to a cube just down from Amanda, she was always smiling, friendly, warm and gracious. She made me feel welcome in a very genuine manner. The last time I saw her reminded me of what a wonderful soul she has. Bless her and her family.

“ Betty,  
You, Mandy and your family have been in our prayers for some time. It is truly a blessing that we can rejoice for some day we will be reunited with our loved ones and have eternal life. Paul writes from 1 Thessalonians 4:14, We believe that Jesus died and rose again and so we believe that God will bring with Jesus those who have fallen asleep in Him.

God bless,

“ I didn't know Amanda very well, but I had lunch with her once when she came up to eat with the Admin. Assistants in the In-Flight services area. Her inner strength was apparent, and her smiles were unwavering. She was truly an inspiration to us all. Her suffering is now over, let us rejoice in knowing her soul is now with the angels that have held her hand through the hardest days.

Know that my heart is with you.

Love,
