Amy was a wonderful and kind co-worker and friend. We shared many conversations over the years. I will miss her great smile and laugh and her “Daaarling” everytime we greeted each other. She will be so missed.

“ Amy left us much too soon!! She was our contact with the Garrett Group, and no matter how busy she was or how insignificant our questions, she always treated us as if we were Merrill Lynch's most important clients. Keith, she was so excited when she told us about her marriage to you. She never failed to tell us how grateful she was that you had come into her life. Ben, your Mother was so proud of you. She kept us informed about your schooling and your graduation. She then e-mailed us the picture of you signing for your first house. To Keith, Ben, her Mother, Sister, Niece , Merrill Lynch family and her whole host of friends, please know that you were loved by this beautiful, sweet lady.
We were all so blessed for having her in our lives.

“ It’s hard to say goodbye to someone so endearing and loved. Amy brought joy, warmth and love to our family when we first met her as a high school friend of our son. Over these many years she became a “daughter,” a dear friend, and mother to our grandson, Ben. We were so pleased when she found a new happiness with Keith, and offer our condolences to the Padgett family at the loss of her cheerful, loving spirit. Amy remains in our hearts, and will always be missed. I’m pretty sure our family has welcomed her into the heavens and lots of chatter and hugs are going on right now.
