“ *We are so very sorry for your loss. We had no idea. I am devastated that I was not more knowledgeable about what was happening with my neighbors...Angela was always so sweet and nice to my son (Andrew Knight). She waved at me every single time she saw me...I know that doesn't sound like a big thing...but it was a big thing. She was that kind of person. Please let us know if we can do anything for you.*

“ From earliest childhood, Angela was thoughtful and generous. She was outgoing and had many, many friends. She was a loving and involved mother to her two boys and still found time to work as regional chair of a foundation supporting Williams Syndrome families. She worked tirelessly in her efforts to better the world for others. Angela was an active member of Christ the King church in Sharpsburg.

Angela died after a brief struggle, surrounded by friends and family. Her husband and children and her priest eased her passing as she walked on.

Angela is survived by her husband and two sons, her parents and her husband's parents, her sisters-in-law, four aunts and an uncle, and her cousins.

“ *Angela, you were one of the most genuine, kindness, and thoughtful persons anyone could know. Along with being a sweet person, you were a good wife, sister, daughter, and a great mother to two great young men. When we heard about your sickness we were shocked and very saddened to hear of your passing. We will greatly miss your outgoing sweet spirit and wonderful smile that lit up any room. We love you!
