😞 THIS IS THE MOST SADDEST THING IVE EVER EXPERIENCE, THE REST OF WAYNES SIBLINGS, WASNT ASK TO BE INVOLVED IN HIS PRECIOUS MEMORIES OF WAYNE. BUT I CAN TREASURE THE MEMORIES OF WAYNE BEING A PART OF MINE AND JUNIOR BRIGHTS LIFE. WE HOLD THE MOST PRECIOUS OF ALL MEMORIES 🕊

Lisa Jackson - March 31, 2019 at 01:32 AM

@ lisa Jackson. Idk what your talking about but as i am one of waynes sibilings. It was also the most hardest day of my life having to see him and say goodbye till i see him on the flip sibe as he always said. Right at the end of waynes life the only ones i know being there every day was alice, Christine, Stephanie, and then everyone tgat visit him at hospital. And the last few weeks of his life him and i spend alot time together. We was always close. When he lived in union city. I was banned (lol) from going to see him due cause he lived with at someone house that hates life as much as people. So that was out of my control. So what ever you and junior (involved in his precious memories) as the other sibilings we all have ours too. I can say at least i was present at his service unlike someone else i know(cough...cough...) I don't understand why as family some have to act and think they are better cause at tge end of the day yalls shit stink just like everyone else. Sorry for anyone reading this but it isnt right for people thinking they are better and lived Wayne more than the other sibilings. Cause in waynes eyes he loved everyone!!!

“ I am so sorry for your loss! My deepest condolences to the entire family. I never knew Wayne very well as first cousins but know he came to see my brother Bill even when he was so sick and for that I know he was a good friend.
