“ Michael, Our dear grandson your life here was too short and the time we had with you was not enough. Due to life events that we had no control over we did not get to enjoy your youth. As a young adult we had a few visits with you to see what a great person you were. It was clear you had a huge heart. Your troubles of this world are gone now. Praying your Dad was the first to hug you in heaven. We know you are home to live with God.

Love you always,

Grandmama and Granddaddy Finocchiaro
