The painful weekend has arrived to pay tribute to a man who was bigger than himself. Jeff was a good Husband, Father, Friend, mentor, and basketball official. You couldn't help but love the man for all that he was. Larger than life smile, sense of humor, and a master of talking smack when he had a couple of beverages in him. But ultimately his heart was true and compassionate if he allowed you in.

Going to miss him in every way. Keep a watch over us Big Dog and be easy until we meet again.

“ *Donnie it truly saddens me to say good bye to you, but God's word tells us that his time is not our time. Nephew you are precious to me and to God. I didn't know that when we all got together this summer that it would be our last time. The tears and laughter that we shared was a beautiful memory that i will add to all the other memorys as a keep sake. You are truly missed.*

“ I remember when I first moved to Oakley Township subdivision a couple of houses away from the Jefferson home back in August of 2005. It was a hot summer, and I would often see Jeff sitting outside in a lawn chair with a few fellas from the neighborhood. He and his wife Kendra was among the first neighbors I met. Over the years our kids went to school together and played sports together as well. Jeff was always a present father at school and sporting events. Our families have been long standing neighbors to this day. Jeff will truly be missed! My prayers go out to all of his family and friends. May God give you strength, peace and comfort you all during this time of grief. I am deeply sorry for your loss!

Peace & blessings,

“ We started pre- k together. Ms Alfreda was one of my moms best friends. Growing up in Junction we kept a family connection. Just saw you a few weeks ago and I do believe my mom sent you to make sure I was ok. Tell her I'm good. Ms Alfreda has her first born with her now. You always full of energy with a big heart. Always the same person. Rest easy my friend and I'll keep your family in my prayers. ❤️

“ *I remember we were at my mom's house in Midway USA apartments and it was around Thanksgiving. My mom was making pies and had closed the balcony doors, well Donnie wasn't paying attention and walked head first into them. We laughed for hours about this. Donnie and I are. Three weeks apart and losing him is extremely hard. Cousin it's time for you to rest and hug your mom again. Please kiss my daughter and Aunt Di for me. I love and miss you horribly. Know that I will forever carry you on my heart. Not only my cousin but my brother. Until we meet again hugs and kisses. Fly high King and Rest in Heavenly Peace.*

“ There is not a time when our families were not connected. We celebrated every accomplishment that we saw fit with a barbecue, dance off, video game battle, cook off, etc. The Jefferson’s embodied family, love and loyalty better than anyone that I know. Jeff,
You were a phenomenal uncle to our babies. They viewed you as larger than life and they loved that what you said trumped us in various instances. Your loss had flipped our babies word around. Now that you are our their angel, I just ask that you continue to guide them and give them the pep talks that they need. Thank you for being such an amazing brother and friend. The bar is set because of you.
We will always and forever love you,
