Dear mom

You don't understand how much i miss you and how i am never going to stop missing you there are so many moments that are going to happen in my life and all i can think about is how much better it would be if you were here i am going to miss having the best mother in the entire world i hate that you cant be here and i hate that you are going to miss me growing up. I wish you could be here to give me the amazing advice you have when i need it and i wish you didn't have to go. I wonder how my life would be if you were still here you are the best, sweetest, spectacular, and the most beautiful person i will ever have met i miss your amazing heart and beautiful brightening smile. Dont worry about me i know that you will still be here in my heart and that you are watching over all of us and god has a plan so everything happens for a reason. I love you soooooo much and would give anything to see you again. Love you i hope you are having the time of your life in heaven

“ *Words can't explain how my heart feels right now. You were my best friend and sister. We grew up and moved apart, but nothing changed. Now my angel you are gone and you are at peace. It hurts me to say that. But until we meet again*

I love you and miss you dearly.
