“ *My very first job was at Cannon's Florist and Greenhouse. This was in 1975. I love flowers. Mrs Dot and Mr BL were super and I learned so much. They also did the flowers/greenery for my wedding and went over and above on decorating. They both were special people.*

“ *Uncle BL was ALWAYS so much fun, teasing his children and nieces and nephews our entire lives.*

He was so easy to love and enjoy being with.

No doubt, everyone that met him loved him.

If he ran into someone that didn't have a smile he gave them his.

He was so proud to have served his country and talked about that, with me, just a month ago on my last visit with him.

Sandra, I know you will miss him as he was a fun dad.

I'm so sorry for your loss but so happy that you had him in your life for so long,

Uncle Garfield, Aunt Charlsie, Aunt Melba, Lynn and Tom, I'm sorry for your loss, as well, I know that he was a light in your life.

We will all miss him but know he is so happy to be with Dot and all of his loved ones

that went before him.

He was such a great Christian man who loved God, his family and his church.

He will be missed.

“ My Dad gave me so much. He should me Gods Love and how to understand that Love. He taught me about camping. the outdoors. how to plant and row flowers and boy did He have a green thumb. If he put a seed in dirt are in a bottle of water it grew. He loved high school football and baseball and he shared that with me. and for the last 10 years we talked every day and during the Braves games we would do what every Braves fan does fuss at them for bad plays and cheer when they were good. The most important thing He showed me was His Love for God and For His Service In The Army. This was so important to him That He was a Vet. He Loved This County so loved that He was Able To Fight for it. I loved You So Much Dad but I know That You are Looking Down on us. And now you are with the Lord and I know He has said Job well Done B.L and So Do I. Love and miss You Sandra.
