“ Our dear, dear Bobbie was a close friend to Rocky and to me. I like to think of them reunited now, as with other great friends who've left us. She has always been a great support and encouragement to me. I so admired her literary nature and found a kindred spirit in this. She brought so MANY talents to Rico United Methodist Church and was a gifted teacher. This is a terrible, terrible loss. Sending so much love to Owen and the boys. Marianne Reeves

I sure will miss Bobbie....she was so faithful to check on my sister Judy, her good friend, when Judy was fighting cancer. I will miss our phone calls and will remember the days we laughed and enjoyed the company of good friends as we made stained glass. She made and helped to make the beautiful stain glass windows at Rico Church and made beautiful dolls as well. Bobbie we love you and your sweet family! Prayers for the family....I am heartbroken at this loss.

Bobbie was a real sweetheart, always had a smile for those that relied on Owen at Bob's tire for all of our tire needs. She would always make my husband and me a friendship cake every year for Christmas. So sorry hear hear of her loss and the loss of David their son. I use to love to give him a hard time when I went into the tire shop. Praying for Owen and the boys for God to send comfort and peace to their hearts. Wonderful family!!!
