“ *Grey, Robin and Rusty - I just wanted to let you know that I am thinking of you and wanted to tell you what a blessing Barbara has been to mother from day one of Daddy's passing (not to mention Grey) - but Barbara called mother every night for 13 years. That is a lot of nights!!!! Heaven has gained an angel.

“ It was 14 years ago when we moved into our neighborhood in Winston, GA and discovered we had such wonderful neighbors just across the street in Grey, Barbara and Robin. We felt they were family all these years and share in their grief as well as that of Rusty. Our prayers continue for the progress of Barbara's soul and for the strength and comfort of Grey, Robin and Rusty. We are here for you.

“ I was so thrilled when Barbara moved in 2 houses from mine. She was my age! We were 9 years old. We lived at each other's homes. She had mumps or measles (can't remember which) and was confined to her home. No friends allowed. I tapped on her bedroom window. She opened the window and I climbed in the window and into bed with her and ultimately shared measles or mumps with her. That is what best friends do. I liked Barbara immediately and like turned into love for my very first best friend forever and 72 years later she told me recently that she would love me forever. So to Barbara, I will love my BFF forever into eternity. My heart hurts with and for Grey, Robin and Rusty especially and also Johnny and Marian. Diane Wilkes Elrod
