“ Lester and Donna and Family: We only heard today about Barbara's funeral - actually, at almost funeral time. We are sorry that we could not be there but we want you to know that we have you in our thoughts and prayers during this time. Barbara was a real inspiration to us when we were growing up with Alan, and all of the kids in the neighborhood. She would get in the living room floor and dance with us. Lester: We will never hear When they ring those golden bells without thinking of you. Those bells were rung for Barbara this week, and she is at peace with our wonderful father, and rejoicing with all of the saints that have gone before. Our Oliver Grove members will always be so special to us - they are our extended family. We have you all in our prayers. Love, Gayle and Kathreen (Hendrix).
