“ The Master Gardeners of Coweta County will always remember the
many smiles that Barbara gave us and in return taught us to smile a
little more. Barbara was a special part of CCMG, it will take many of
us trying very hard to replace the joy, courage and love that she
brought to us.

“ Just wanted the family to know that Barbara will be missed by her St Francis Classmates. We always had a great time reminiscing when we got together at reunions. I always looked forward to her chatty emails. I will keep her family in my prayers.
