“*Jeanie was a sweet beautiful lady. I remember when I was at Hopewell, assisting her with her Sunday School children's class. She did such a wonderful job with the children. Such a sweet and caring lady, always with a smile and a hug. Whenever I visited Hopewell Jeanie was one of the first to find me, hug me and say how glad she was to see me. I will truly miss her. I know bells were ringing and angels were singing when our Lord welcomed Jeanie back home.*”

“ We might not have been related by blood, but y'all were as much my family as anyone. I can't count the number of meals I ate at your table, the number of hugs you gave me, or the number of laughs we all shared. You celebrated my victories and held me accountable when I did something wrong.

At school, we always got so excited when we heard that you were going to be our substitute teacher for the class!

Oh, Mama Kemp - I have cried and smiled so many times over these past few weeks. I love you and will miss you until the day I see you again.

Sending so much love to all the family and friends.

“ *Jeanie, you will be so missed in our Prayers and Squares ministry. We will never forget all of the love that you put into your quilts to send to children with disabilities on the internet as well in the church. Was such a pleasure to share the love of sewing with you.*

*I will never forget that you make the most delicious brownies and carrot cake I have ever eaten. God has you on his culinary team I am sure.*

“ Dear Hal, Doreen, and Family, I'm so sorry to hear about Jeanie's passing, I loved working with her for years at Kroger, I worked in the meat department, she and I kept in touch for awhile after I retired, I was just thinking of her a few days ago, and was going to call her, but I just some how forgot it, for I just lost my husband of 48 years , October 14,2020, and I've had a lot going on myself, For I certainly know how you all feel, it's a great loss, like part of you is missing, I will surely have each and every one of you on my thoughts & prayers , may God give you all the strength and comfort you need to carry on at this difficult time, I wish there was something I could say or do, for I used to tell cute jokes while we worked, to help make the day a fun place to work! Just know Hal, & Doreen I'm thinking of you and wishing you peace and comfort, you know she is in God's arms now, Rest in Peace, my Dear and Sweet Friend For Eternity, Your Friend Forever, Debbie Couch
