“ My Aunt Babs was many things... she was a wonderful mother, wife, friend, teacher, and the best Aunt a guy could have. She was always there with words of wisdom, and a heartfelt hug no matter how many years had passed between visits. Heaven is surely brighter with her warm, graceful presence. My hope is that she has found comfort in the warm embrace of the Lord and in the arms of her parents Walter and Louise (my Pop and Grandma), who went before her, and surely had the table already set for her arrival. Aunt Babs... I love you and will see again. We'll light fireworks on the beach in heaven someday.

“ My heartfelt sympathies go out to Joe, Prentice and the entire family. My big sister was one of the smartest people I ever knew. She was my mentor and looked after me growing up and has taken care of everyone in her life. The obituary says it all as she leaves a legacy of love and service. I pray The Holy Spirit give peace and comfort to all who will miss her dearly. As for Babsy she's in the loving arms of Jesus and she hurts no more.

*Joe, Prentice and family,
Our hearts are heavy with the passing of Babs. I will always remember her and Prentice sitting in front of my family at First Presbyterian church in Macon when visiting her family. Prentice, she was always so proud of you! She was a number one cheerleader for everyone she knew. It was such a blessing, Joe, when you and Babs joined Covenant Presbyterian where Sam and I attended. We had many wonderful years together with the two of you and loved being connected there. Our prayers are with you all!
Sending much love,

Uncle Joe, Prentice and family, and all of Aunt Barbara's family, you are in our thoughts and prayers and we are with you in spirit. We will miss Aunt Barbara, but have many wonderful memories to recall and are thankful she is in the arms of Jesus, not suffering with pain and illness anymore.

Sending our love to you all.
