“ *I loved Bob like a little sister. She was so talented, she sang solos in church as a very young girl. We shared many good times together growing up and singing together. I've missed our lunches and laughter about "old" times. My love and prayers for Jo Anne and all the family.*

“ When I attended Ramah First Baptist, Ms. Barbara was the organist. I was able to play accompaniment with her on the piano when I filled in, on occasion. I mostly remember Barbara singing passionately, "At the midnight cry. We'll be going home." Now she has experienced it. Happy for her.

“ I worked side-by-side with Barbara at Delta Community Credit Union for 10 years. She was a fine friend and thoughtful co-worker. She loved Elvis Presley, and required me to get her an Elvis calendar every year for Christmas. I have one sitting on my desk at work, and I think about Barbara every time I look at it. I shall miss her.

“ *Barbara and several of us cousins would get together and play house, pretend to be mothers, play with paper dolls and dolls, and sit on the front porch swing. We would try to see how high the swing would go! We also would just sit and sing with Barbara leading the way of course!! Family reunions were such fun just talking and visiting.*

Bob, will be greatly missed. So thankful that I have those wonderful memories.
