“ My thoughts and prayers are with Cissy and the family. Barry was a sweet man that made me laugh every time we talked. He will be greatly missed and I was blessed to know him. Although he's in a better place, our hearts are broken. Joy comes in the morning, for one day, we will see you again. Much Love!

“ Cynthia, I never got to meet Barry but I loved him because I got to know him through you. I know how much you loved him and mostly how much he loved you. Your mama told me that. I love you and will hold you up in prayer. Hold your memories close to your heart.

“ Cissy,
Words cannot express how much both you and Barry meant to me. He was truly a great man and very dear friend and Brother. He will be missed by many but never forgotten by those who had the honor of having him in their lives. Try to find peace in the knowledge that his pain and suffering are over and that he is now in peace with our Lord. If you ever need anything please do not hesitate to call.

“ i have known Barry for fifty years. As children we played together, went to school together and lived across the street from each other. I have never been around him that he didn't make me laugh. He was such a giving Man. I would have to threaten not to go to dinner with them anymore if he wouldn't quit buying our meal and let us treat sometime. He loved his Family with all his heart. I will miss our many conversations and singing duo with him. I loved him!
