“ My poem to you entitled: *NEW BEGINNINGS* Up Through the ground, what could I imagine to see? Coming up toward the sky, looking at me. Climbing higher and higher, so young and spree, Finding its way, looking at me. I slowly bent down, ever so closely to see, This very thing, looking at me! I asked myself the question to see, What was this thing looking at me? No more to question, I found it to be, A new beginning so young and spree! by Steven R. Matthews
