“ I remember Bucky and the rest of his family. It's hard to loose siblings. All of you guys had such pretty eyes I remember. Much love to you at such a sad time. I always try to think, "absent from the body, but present with the Lord", and it's still hard
Love to you all

“ Brian,
I'm heart broken over Bucky leaving this world in body. We all shared so many memories at CHS and reunited after he returned home. He will be dearly missed by me and so many others. May the memories live forever in your heart, as they will in mine. Peace be with you Bucky. Cheney CHS '74

“ *Bucky you will be truly missed, he was the nicest guy on the block he would help a stranger. He loved everyone and never treated anyone different, he loves his animals and everyone else's to. Bucky you will be truly missed, your smile and your hand 🙌 up in the air every time I pass your house. The pain and suffering is over.*

“ Bucky was definitely given the gift of helping others. He would climb into the attic at Mt Vernon to work on the air conditioner, he always willing to do what needed to be done. He was tough with a witty softness about him. I loved Bucky and I will miss him.

“ Bucky was one of the funniest, kindest and most loyal people we have ever known! He was always there for everyone especially his Mt. Vernon family. If you had a problem he would do his best to help you even if it after work and he was tired. His smiling face will be so missed! We love you Bucky! Mark and Darlene Cole 💕
