“ I have known Michele since June of 1996 when we began working together. Although I never had the opportunity to meet Bernadette I could tell she was a kind and compassionate lady from everything Michele told me about her mom. It's so tragic about the passing of Bob less than a year ago and now Bernadette. From what Michele told me her mom fought a courageous fight against her illness. I am praying for Michele and David and all of your family. God bless each and everyone of you now and in the future.

“ So sorry for your loss! I remember Bernadette fondly from when I visited Uncle Mike and Aunt Grace when I was little. I loved having a cousin to message with when Georgia played ball. Prayers for your family.
