“ I was thinking back on my childhood and my uncle Josh came to mind, I will miss him and my Aunt Bernice, my prayer is that they are now in a better place. As a child, I spent much of my time at the Bait Shop or on trips picking up worms and leeches. Some of the best memories of my childhood. I have missed them dearly, Now that I'm in my 60's, how time flies, with five children and several grandchildren I think back on my childhood experiences both good and bad often. I'm a retired Marine, Retired business owner, former nurse, and now wine distributor (retirement job, love it). If any family member wishes to make contact I live in Raleigh NC. (919) 802-5334  
Respectfully,

“ Although I didn't really know Mrs. Hendrix personally, my parents bought bait at H&H all during my childhood years (1960's) for our many fishing trips to local lakes. Fond memories of going in the bait shop (and seems like there was a beauty shop there, too) and buying red wigglers and crickets! My condolences on your loss.
