“ Betty Ann and I first met at South Fulton hospital, where we both worked in the Nursing Department. She always had a smile and a kind word for everyone. She was a joy to know! Thoughts and prayers to the family, as I know how much you will miss her.

“ Sincere Heartfelt Condolences To Betty Ann Halm's Husband Klaus and all her family. I first met Betty Ann, A lovely lady, at church during the contemporary service. Sitting next to her we became friends. She loved her family and would always say how proud she was of all the family. Klaus was still living at home then. He had an aide, so I would occasionally pick her up and we would have lunch at Beef O'Brady's. She said she enjoyed going there because she and Klaus would enjoy lunch there in the past. She knew exactly what she enjoyed to eat most of the time. Sometimes I would read the menu for her. Well, after a while she moved to live at Wesley Woods to be near Klaus. I would call her when I could or she would call me when she could . Sadly, I became busy with my own husband so we couldn't chat very often. She was a Special Lady indeed and she will be missed. I know she is at peace and with the Lord. Blessings to all her Family and Friends. Nancy Broadwell
