Every thing everyone said is so true. I was just foolish enough to think, it was only for me

“ *I remember when I was little me and my brother like to play in the front yard at Aunt Bettys house.. we would run and play hide n seek and ride bikes thru all those trees out front..*

All the good times we had growing up having our families together at Aunt Betty and Uncle Jack's house.. we had a larger family and we would always had masses amounts of food... not to mention at the huge garden that they had... we all ate from that garden many times... I will cherish those memories forever.. Rest In Peace Aunt Betty..

I LOVE YOU.....
