“ Ms.Betty was one of the kindness most humble Godliest women I have ever met. I took a group of 35 young people to see visit her several Thanksgivings and delivered her Fruit Baskets from our Church. We went to minister her, but she always ministered to us more, sharing her love for her Lord and His Word. Most all of our group still remember those visits and the impact she had on us as she shared her love for her Lord and living her life for Him. We will never forget her. She was the epitome of what God called us to be....like Jesus.
