“ I'm so sorry for your loss. I too know the sting of death. The memories of good times will carry you thru these sad days. I hope that you can surround yourself with family and those who can build you up with the comfort you need. There is the best support found in God's word. Please read Isaiah 25:8. Death will soon be a thing of the past and there will be no more tears. Take care of yourself and let the scriptures fill you with hope and promise.

“ I have fond memories of BJ from Hopewell United Methodist Church. She was a "card". May the family be comforted in the days ahead.

“ If you grew up in Tyrone you had many mothers. I guess BJ was my favorite. When I had my first child, a colicky baby, all the babysitting I had done was no preparation for that! After the new wore off, Stephanie would cry and I would cry. One day I looked out the window and saw BJ driving up in a truck carrying a rocking chair. She brought it in, rocked my baby lovingly, took care of me, then left the chair there for me. I will never forget that, it changed things for me. BJ, I loved you dearly, and I know the angels are getting some good laughs!❤️

“ I grew up in Tyrone. Many a night our parents would go over to BJ's (as she was known by many) house to socialize. Later on we lived next door to them. My memories are one of a laughter, a great wit and a smile that was infectious. My prayers go out to Kenny, Kathy and the rest of the family. John Rowan

“ So sorry to hear of Betty Jean's passing. Our prayers and sympathy for you all. I heard a few years ago that Tyrone used to be full of "characters". Well, that is true and we lost a one of a kind character whose dry humor could not be matched!
