“ I met Betty on Facebook. I learned so much about my husband's family. Her geneology skills were terrific! I always appreciated her FB posts I was able to see. Betty was very spiritual. My husband, John Barnett (aka Charlie) and I are sending our sincerest condolences. You are all in our thoughts and prayers.

*I only met Betty on Fb as a person that went to Brown High but she was the sweetest person and were friends now till her passing. I remember when she had a stroke or heart attack a good 10-15 years ago and prayed for her to get through it and she did. Wonderful to know that one day I will get to meet her in heaven. Prayers for all of the family for God's comfort. love and peace.*
