“ My memories of Betty are many during the years that I was part of her family. She was a take charge kind of person and not afraid to give her opinion. As a young mother, that's likely just what I needed. Brett was her first grandchild and she loved him dearly as he did her.
Betty and I stayed in touch over the years, she always ended our conversations with, "you know I love you".
My sincere condolences to the entire family. Sending love and prayers to you all.
RIP Betty
