Crying. I just called Betty to let her know we lost a mutual friend today only to find out we had lost her! My heart is so sad today. Betty was a wonderful woman, mother and friend. I am truly heartbroken. Condolences to Andy, Angie, Brian and grandchildren whom she adored. She was a special lady. RIP Betty.

My beautiful and exceptional friend. If God ever created an angel on earth, it was YOU! My heart breaks in finding we have lost you.

Lord have mercy. Angie, Brian and Andy, I am so sorry for your loss. This is Marilyn. I just learned today that we lost Betty. She was a dear friend of mine and we talked a lot. When we worked together at Network. she was my bestie. We were suppose to meet up but we never did and now I have lost her. I kept calling her phone but it was not working and that is when I realized something was wrong. Doing my research, I found the truth. This saddens me but I will never forget her. Betty was always a joy to be around. I truly loved her. Andy will probably remember me. I live in Covington. She always spoke highly of her children and grandchildren Love Marilyn

Oct 14, 2025: *STILL remembering my special friend. You were such a sweetheart Betty. I miss you so much. I knew when I called last year and you didn't answer and I couldn't leave a message that it was probably not good. In further research, I realized we had lost you. I remember your kind, gentle and always understanding ways and the absolute love and dedication you had for your kids and grandkids. THEY were your life. I pray they know and remember how much you cared for them. Always a loving mother and faithful friend. I miss you girl. :-)*
