“ Please accept my condolences for the loss of your mother and grandmother. Death is describe in the Bible as"the enemy". It breaks into our lives often completely unprepared .
The Bible promises there is going to be a resurrection! Yes Jesus assures us " the hour is coming which all those in the graves will hear his voice and come out.
"[John 5:28-29] May your wonderful memories give you comfort. If you would welcome more about how to cope or why does God allow suffering please visit www.jw.org
