“ *By reaching out and staying in touch you made us feel special. And you did move a few times. Your facebook link will always be with me. Only 2 months ago you asked Peter about me. We will miss you so much. You are in my prayers.*

MY

“ *My favorite memories of Mom trout was how she would make us the best home made casseroles and dinners for the nights Jen and I had night class. Her homemade meals were always amazing. Loved how she took care of everyone. Loved having her be my mom while I was in college. Such a huge caring heart and wonderful woman. ~Melissa Yubeta*
