“ *Maw Maw,
I love you more than words can say. I am so grateful for the time I've shared with you especially these last 6 months. I tried so hard to help keep you home and to make sure you were always comfortable. I do NOT regret anything and I would do it all over again 1000 times. It broke my heart to watch you deteriorate each day but God I am so happy that she is no longer in pain and she's with you! I know she is always watching over me and Dad and the rest of the family.* 🙏🙏🙏

“ *I will miss you so much my Sweet Betty. My first Mother in law and my dear friend for over 50 years. I loved spending time with you. You taught me to cook, and you could really cook! You never had an unkind word to say about anybody. We shared so many wonderful memories that I will cherish my lifetime. I will always love you and know I will see you again one day.*
