“ I was sorry to see the obituary for Betty Faye. Our friendships go way back to the time when we were teenagers and attending Mount Vernon Baptist Church. We kept in touch for a long time but for the last year or so I have not heard from her. Every time I pass her house on Hobgood Road, I would think about her and wondering how she was doing. I want all of the family to know that she is a very special friend to me. I have been ill, and will not be able to come to the services, but just know that each one of you have been and will be in my thoughts and prayers.
