lose a parent, but both as close as they were...Betty & I were both students of
Southwest High School & in the same Graduating Class. She will be missed by

“ Betty’s husband was a member of my graduation class and a great friend. I loved and admired Betty when she and Freddie became a couple. We moved to another state but stayed in touch by telephone and at reunions of 55 class. She was a beautiful servant of our Lord. My sympathy to her family.

“ Betty will be missed at First Baptist Clifftondale. It was always so refreshing to see her on Sunday mornings and get one of her hugs during our "fellowship time". Rest in Peace with our Lord and Savior Betty- will miss you!

“ My sweet mother. I am so thankful for the special time that we spent together over the last few months. I know that she is rejoicing with dad, Kathy, and so many other family members who have gone before her. She was such a “good and faithful servant”. Thank you mom for all of the special memories!

“ *To know my Emaw was to love her. She was always so kind to others & smiling. She was the care giver for the family & never thought of herself, always others first. I hope to be half the woman to my family that she was to hers. Most importantly, she was a woman of God & had a strong faith. It gives me comfort knowing that she's in heaven with my PawPaw & others. We will forever miss her.*
