“ Wonderful memories of raising children on Lantern Lane! Betty and I shared the same name and the same birthday! We enjoyed doing many things together such as the Christmas we hid Santa Claus in each others houses and then the complications of trying to get them switched to the appropriate place on Christmas Eve! Thinking of all of you!

“ Betty Ann and I have been friends since 1949 when she entered Marietta High School as a sophomore. We did everything together. We played basketball, hung out at her house, and roommates at West Georgia. I was her only attendant at her wedding at the St Josephs Catholic Church, Marietta. She could not have married a sweeter man then John. When her first child, Larry, was born I was there (not a witness) and so excited for them. We always stayed in touch by phone for her to tell me about each child as they were born. She and John raised an amazing family and I was proud to always hear of each accomplishment as I was with their grandchildren. We were always there for each other in life events - happy and sad.

Betty Ann was very smart, salutatorian of our class; great athlete, swimmer, golfer and she could even tap dance.

She called me when she was first diagnosed with dementia to tell me, but we continued to talk and see each other when we could. My last visit was in December 2015, when Kathy arranged for us to meet for brunch - what a wonderful time as her mind was clear and we talked about all the things we had done together over the many years - it was a gift from God.

I will miss her but she is with the love of her life John and her sweet Mother, and I will see her again.

God Bless all of her family.....Mary Lou Cagle
