I love this video Lauren. It shows how happy your mother was and how much she loved those around her. From the very first time I met Beverly, she always gave me a hug and told me she loved me. I will really miss that!

We have so many memories of being with her. She took care of us a lot when we were little. I remember swimming in our 3ft pool, and we had a little incident. Lol. Bambi knows. Aunt Beverly caught both of us.
