“ There are so many stories I will always remember. When I show people around my home I say "Mother and Billie Sue found that at a yard sale and refinished it" yes that piece too. I hope you and Mother are laughing and antiquing again. You're both a piece of my heart. You're missed already. I love you!

“ Somewhere in my heart beneath all my grief and pain,
Is a smile I still wear at the sound of your dear name.
The precious word is ‘MOTHER’, she was my world you see,
But now my heart is breaking cause she’s no longer here with me.
God chose her for His angel to watch me from above,
To guide me and advise me and know that I’m still loved.
The day she had to leave me when her life on earth was through,
God had better plans for her, for this, I surely knew.
When I think of her kind heart and all those loving years,
My memories surround me and I can’t hold back the tears.
She truly was my best friend, someone I could confide in,
She always had a tender touch and a warm and gentle grin.
I want to thank you Mother for teaching me so well,
And though the time has come that I must bid you this farewell.
I’ll remember all you’ve taught me and make you proud you’ll see.
Thank you my Dear Mother for all the love you showed me.
Although you’ve left this earth and now you’ve taken flight,
I know that you are here with me each morning, noon and night.

“ One of the most beautiful hearts I have ever met in my life. Love this woman dearly. Always had such a beautiful smile. My life was better because she was a part of my growing up. So many memories beautiful ones. What an angel she was to me. Rest in peace I will see you again.

“ What can I say? There never has been and never will be the likes of another Billie Sue. If you want someone to emulate, Billie Sue is your girl. She spoke her mind but never made anyone angry, she always had a joke and a smile to share, and she was just somebody that you enjoyed being around. She had a saying that I stole from her many years ago which sums up many situations in life. She would say, “I just don’t underdamstand that!” Billie Sue did not like being sick and she missed B. D. so now she is well and back home with B. D. God is good.
