“ For my Brother,

Billy, I know you know how much I miss you. I long to talk with you as we have so many times before, but I know we will have those talks again one day. I never had the chance to tell you goodbye while you were awake but I hope & pray you knew when I did say my last goodbye. I love you dear brother & miss you even more. Your Transister Sister.

“ *Im truly sorry to hear of your loss. God soon promises that all suffering, even death, will be things of the past. No longer will sickness or pain plague mankind. We also look to the hope of being able to see our lost loved ones again, right here on earth, under perfect conditions. May God continue to be with the family in their time of need.-Revelation 21:4, Acts 24:15, Isaiah 25:8.*
