“ Nancy, Ashley and Valerie You are in our thoughts and prayers. Many years have past since the Pebblebrook days but we still have fond memories of the family and the love you showed to us. Kent and I often chuckle about the time we went to The Lost Sea with the youth. As we were climbing the hill to get back out the guide mentioned a lost indian many years ago and Bro. Billy said he knew his name must have been Me-Tired-um-Walkin. May love and memories keep you through these difficult days.  
Love, Walter, Kent and Nancy
