“ Bobby was the funny uncle of our gym. He was always ready with a zinger! We looked forward to seeing him just as much as he looked forward to seeing us. If he couldn't make it to class he would always call just to feel close and because he knew we would worry if he didn't. He was and will always be very special to us. We definitely feel the void of his absence. Much love Bobby, rest in peace in His presence and know how much your Pulmonary Rehab Crew misses you ❤️

“ Bobby and I dated and got married in high school. I had Dana who he did see a few times as a grown woman. Bobby and I have been friends for years and when I returned his calls I got no answer. Little did I know until tonight he has passed away. I am very sad, like part of my life is gone.

“ Bobby liked to be referred to as the “blur”.
Apparently Bobby was a very quick fella early on.
