“ I always loved going over to Uncle Bobby's home and visiting. We always had so much fun at family gatherings, going on the lake in his boat, eating his delicious burgers, listening to his stories, and just having a fun time. I miss him and love him very much. Love Stephen Wiggins.

“ When I was young I always enjoyed the times I would get to spend with Uncle Bobby. He was always fun to be around and I cherished each moment I got to spend with him. He will be missed dearly. Having lost both of my parents in the last two years I can certainly feel for the pain Becky is going through. I pray that Becky will find the strength, comfort and support from god, family and friends to go forward and reflect on the memories of their long time together.

“ Bobby was a person that all girls wanted to find a spouse like him. He was good-looking, smart and always took care of Betty/Becky who was the love of his life. And he had a real sense of humor. He was a leader among his friends and all his co-workers. I'll always think of Bobby when I pass by the "Queen" and "King" high-rises on I-285 as he supervised there construction. It was fun to share his excitement as he told about his collection of old cars.

I know that he believed in life eternal and although he will be missed, I'll try and join in his rejoicing that he now will live again with his Mom, Dad and Tommy as well as other family members who welcomed him into God's kingdom on February 16, 2019.

“ Bobby was a wonderful Southern Gentleman who will be remembered for his sense of humor and love of fun. He was instantly loveable when you met him. My prayers of comfort and peace go to Becky as she navigates the difficult days ahead.
