“ Thank you for the many times you calmed Demarco on the phone. This special Ed. Student needed his Mama. When she wasn't available by phone you took the call and did your magic. Your voice and words calmed him. You raised a great Daughter and will live on in wonderful memories. You are whole now in heaven ❤️

“ The sweetest, gentlest, most genuine person who raised me (and dad... lol). Bonnie loved to dance, make up songs, be silly and loved her family. She was the best and she will be missed.
